You can obtain **more information** of the library building and take a **virtual tour** of the Library building.

The main venue of the conference will be at the **Drama Centre** located on Level 3 of the building. The Imagination and Possibility Rooms on the 5th floor will be used for the parallel sessions.

How to get here

You can catch Bus no: 7, 32, 51,63, 80,145, 175, 197.

Why the event

The widening profession needs quality information and benchmarking occasions; there are, annually, we believe, more than a hundred awarded, new or renewed institutions world-wide and a great number of exceptional projects hardly known to the international professional public. All of them deserve further professional and public attention. Besides, we live in an increasingly competitive world where standards of excellence, i.e. expectations be it from public or our other stakeholders are rising steadily.

Our presenters

Our presenters are not usually extraordinary professionals whose expertise has been approved by a national or international award. Yet, as presenters, they are given clear instructions how to structure their presentation so that it answers most of your questions. Besides, every presentation is followed by a short discussion involving moderator and the participants. At the very end of the event, the moderators engage in panel discussion in which participants also take part.
