RE: SIT-UNLV SINGAPORE LIMITED COLLABORATION AGREEMENT

As many of you may know, the above referenced contract will expire on 31 December 2015. Accordingly, the last intake of 150 undergraduate students co-enrolled in SIT and UNLV will occur in August 2013. They will be in addition to 50 co-enrolled students who will matriculate in January of next year.

We are writing to assure all concerned that these students, as well as those already enrolled, will continue to receive the same standard of educational experience as previously provided at the Singapore campus of UNLV. They will have a full opportunity to progress on schedule to their UNLV Bachelor of Science degrees.

As observed by UNLV President Dr. Neal A. Smatresk, “By the end of 2015, UNLV Singapore will have conferred almost 900 Bachelor of Science degrees from the William F. Harrah College of Hotel Administration to Singaporean citizens and permanent residents in collaboration with SIT. These UNLV alumni will be a source of pride to us as they progress through their careers in the years ahead.”

Please do feel free to contact the Assistant Dean’s office if you have any specific questions or concerns regarding this message.

FAQs:

Will UNLV continue to be in Singapore beyond 2015?
No final decisions regarding future UNLV Singapore activities have been made at this time. However, there is no assurance that UNLV undergraduate classes will be available in Singapore after December 2015.

Does this affect the status of past and/or future UNLV degrees awarded in Singapore?
All such degrees remain fully accredited and recognized. Graduates are invited and encouraged to become involved in both the UNLV and UNLV Singapore alumni groups. All official academic records will continue to be maintained at and available from the Office of the Registrar at the main campus in Las Vegas.

Will there be changes to the Overseas Immersion Program (“OIP”) in Las Vegas or the annual UNLV graduation ceremony in Singapore?
These important activities will continue to be conducted by UNLV for current and future students through 2015, as scheduled. It will be “business as usual” on campus through 2015.
