Yes  No

If this is the first time to log into the system click "Yes" otherwise "No".
Once your non-immigrant visa is approved, your passport will be ready for either pick-up or delivery three business days later. The passport can be picked up at the courier office you provided when you scheduled your appointment, or it will be delivered to your home or office if that is what you requested. For example, if your interview was on a Monday, your passport with the new visa should be available on Thursday. If there is a delay with your visa, you will be notified directly by the Embassy.

If you applied for a K1 visa or an Immigrant Visa, your passport will be ready for pick-up or delivery five business days after the date of approval at the address/location you specified when you registered your profile with us. We will notify you if there is a delay.

IMPORTANT NOTICE!
C1/D Visa Reissuance Program (C1/D VRP). The U.S. Embassy Singapore will waive interviews for C1/D VRP applicants who meet all of the eligibility. Click on this link for the requirements and information.
